A map of the northern Great Plains region, specifically the Bakken oil field area. The map shows several oil and gas fields outlined in yellow, including Beach, HunterCr, PistolR, PistolRSF, AFChetHigh, ChetcoMain, and WInzhuc. Major pipelines are shown as blue lines, with the Bakken Pipeline and the Line 61 Pipeline both crossing the area. The Cannonball River is also depicted. A scale bar indicates a distance of 5 miles. Numerous red asterisks are scattered across the map, particularly concentrated in the central and southern areas, likely indicating active drilling or production sites.
